

# VASCULAR SCREENING

## Are you at risk for Vascular Disease?

Early awareness is key to your vascular health which gives you peace of mind and the motivation to make changes!!

### RISK FACTORS

- Over the age of 40
- Sedentary lifestyle
- Diabetes
- Smoking
- High cholesterol
- High blood pressure
- Family history of heart disease or stroke

## Vascular Screening Package!

It only takes 30 minutes of your time and you will have the results before you leave!

**\$99 \***

\* \$99 for all three studies together or \$40 for each individual study \*

### Package Includes:

- **Carotid Vascular Ultrasound** that helps identify the risk of a stroke by testing for plaque buildup in the carotid arteries.
- **Abdominal Aorta Vascular Ultrasound** that checks for possible presence of an aneurysm that could lead to a ruptured aorta.
- **Peripheral Arterial Disease Screening** that measures the circulation in your legs to identify risk for a heart attack or stroke.

All screening exams are self pay and do not require an order from your provider. Screening examinations are not covered by insurance.

Available at either of our locations by appointment only:
